SOS Children's Village BC

SOS Children's Village BC provides foster children with lifeskills and family homes for a lifetime

September 7th, 2004

Dear Spike for Kids Partner,

Thank you for your generosity in supporting SOS Children's Village BC and the "Spike for Kids Volleyball Tournament" on August 29th. With your help, over the past 3 years, we have "spiked" over \$21,000 over the net for foster children!

As an update, I'd like to tell you about the marketing benefits that your company received at this event. Benefits included: signage at the event (with logos), website recognition, newsletter recognition of 6000 readers and posters (with logos) mailed to each attendee.

We'd also like to give a special thank you to **Cambie Sports** for their generosity in providing the venue and to **Scotiabank** for helping 3 years in a row with "SpikeNet". Scotiabank provided prizes for over 85 winners this year! Thanks also to **Lyle Green** of the BC Lions for playing for the SOS team! We can only succeed in helping children in need with people like you who are making a difference.

Yours truly,

Susan Polano
Development & Appreciation Officer
