

Have You Joined TFC Facebook Player Discussion Page?

Be a part of our community and don't miss out any important information! We post grass league rainout updates, upcoming special events, Summer Wrap Up Party, etc. Moreover, you can speak to over 1400 enthusiastic volleyball players, whether you are looking for subs or forming a team.... [[CLICK HERE](#)]

Why Performance Bond?

The Performance Bond was implemented this summer to:

- Ensure teams do not bail last minute from the league AND for weekly league night play (we want to ensure all team play 3 opponents every night).
- The mini 20 minute seeding matches will be eliminated in Week 1, hence more league playing time for teams.
- To ensure the 'correct' team show to the 'correct' field in Week 1 (in the past, teams have tried to 'sneak' onto a field they did not register for in Week 1).
- So people do not bother our Grass League Coordinators to search for subs for them, again at the last minute.

All teams must pay a performance bond when registering for grass leagues. This is held for the duration of the league and is refundable at the End of Summer Wrap-Up Party unless:

- Team doesn't field a full team the 1st time: loss of 20% of bond
- Team doesn't field a full team the 2nd time: loss of 30% of bond
- Team doesn't field a full team the 3rd time: loss of 50% of bond

If a team fields 3 players for R4, they do not lose a % of their performance bond, but 'must' play with the Ghost Rule. An R2 team 'must' field a team with 2 players of the opposite sex or they will lose a % of their performance bond.

No Alcohol on the Field

We would like to kindly remind you that **ALCOHOL IS NOT PERMITTED** in the field of play. Park Rangers have stepped up enforcement.

If you bring these substances within our venues, you will be removed from the field of play and removed from TFC without refund.

R4 Cancer Fundraiser for the North Shore Hospice Society

Don't miss our first grass R4 tournament of summer 2017:

- Date: Saturday, May 27th
- Location: Beaconsfield Park, Vancouver

Fund raised will go toward a bursary in honour of Rex's mother who lost her cancer battle in August 2016.
