\*\*\*\*\*

Mon Grass W2's – Tier 1/2 Mixed League:

Beaconsfield Park (SE corner), east Vancouver  
(Slocan Str & E 17<sup>th</sup> Ave – 3 blocks directly south of the Italian Cultural Centre).

Starts Mon, May 20, 2019 (Victoria Day) for 10 weeks **(no VB : July 1<sup>st</sup> – Canada Day & Aug 5<sup>th</sup> – BC Day).**

9 wks ladder round robin, 10<sup>th</sup> wk single knockout play-off.

Housekeeping & League Rules:

1. You are fully responsible for reading the League Rules & ensuring your playing partner AND sub(s) gets a copy of this document.
2. TFC Volleyball uses an 8 metre court for W2's.
3. You must be on-site warming up by 5:45pm each night. Please, take into account rush hour traffic & neighbourhood parking restrictions in the area. League play starts promptly at 6:00pm until dusk. Deduct a single point every minute your opponent is late, after the start whistle has sounded. If your opponents does not field a full team 15 minutes after the whistle, they forfeit the first game in the match. 30 minutes after the whistle, they forfeit the entire match.
4. All matches, every wk, are timed ... so chit chat after the league.
5. Washroom & water foundation on-site.
6. A sub is ineligible for the play-off in Wk 10 if she has not subbed in at least one league night for the same team in the league. If a complaint is lodged by team(s) in your pool, before prizing is issued, you shall forfeit your prize to the team with the next best score.
7. **A team who picks up a sub is eligible to move up in the weekly rankings. Rationale – There is an effort to find a sub, sometimes at the last minute. We would rather you play at least 3 matches per night (best 2 out of 3 games) than have a team in your pool not show up at all, vacation/business plans, traffic, etc. & the League Coordinator may not be certain who is a sub or 'permanent' player.**
8. You are responsible to arrange your own sub(s).
9. **You can not set a serve nor a free ball (only a hard driven ball).**
10. Each week, check the top & bottom of the posted nightly draw for Saturday grass & beach tournaments & special event announcements.
11. Respect all street parking regulations. If our resident neighbours complain we will lose the field permit.
12. Respect private property & do not use as an easement. City parking enforcement have been seen in the area ticketing illegally parked vehicles.
13. **Losing team on each court brings in the net system. Please, do not forget there are 4 spikes per system. It is everyone's responsibility to**

**insure their weekly match scores are reported correctly before they leave the field.**

**14.** Register on-line for all Saturday grass & beach tournaments. Please, articulate all your contact telephone number(s) when leaving a voice mail at (604) 255-2832.

**15. League rainout to be posted on the home page of the website – [www.TFCVolleyball.com](http://www.TFCVolleyball.com) after 4:30pm each league night. A rainout announcement will always have date, time AND reason why. Otherwise, a play decision will be made by the League Coordinator on-site at 6:05pm. All rainout nights will be made up at the end of the league until the end of August 2019, weather permitting.**

16. If we do not have your playing partner's email addresses & contact information, please, forward it asap by return email.

17. Weekly league standings are calculated in the following descending order:  
(1) Matches won against all opponents in the pool. (2) Games won in the pool.  
(3) Points head to head (2 way tie is head to head results, 3 way tie is total point differential).

18. Eateries in the area are at E. 12th Ave. & Renfrew Str. - McDonald's, Japanese & Chinese/Canadian restaurants, Pizza Hut & Subway.

Thank you for your continued support of TFC Volleyball outdoor grass leagues.
