

Grass League – Rainout Policy

A Grass League 'rainout' will be posted on the HOME page (left sidebar) of the website www.TFCVolleyball.com, as well as, the TFC Player FaceBook Discussion Page at 4:30pm. It takes at least one calendar day for approval to join our FaceBook page.

'If' incremental weather persists, the on-site Field Coordinator (in consultation with the League Director) may make a play or cancel decision at 6pm. Once play starts, the night is counted as a played week.

If the league is cancelled for the night, we appreciate your assistance in bringing in the (full) net system.
