**GRASS LEAGUE COORDINATORS** – share this post with ALL your set-up crew asap.

**GRASS LEAGUE REGISTRANTS** – share this post with ALL your teammates(s). It now takes at least 2 calendar days to be approved into this group.

**Each Summer, between end of May – mid August HISTORICALLY** TFC Volleyball offers the following 10 week Grass Leagues in a weekly ladder format. The highest (most competitive) location is listed first:

1. Mon W2 @ Beaconsfield
2. Tues R2 @ Tupper Main, Oval & Brewers
3. Wed R2 @ Tupper Main & Oval
4. Thurs R4 @ Trout Lake NE, SE, Beaconsfield, Tupper Main, Oval & Brewers.

In short - when you win, you move closer to Court #1 on that field, then you advance locations (to the next field). Week 10 is Play-offs / prizing on EACH field.

**THIS SUMMER** the VSB has closed down 3 major secondary school fields for maintenance &/or school use between May – June 2023 with Tupper Main being one of them. We have been working diligently with the VSB for 2 months to rectify out Tues R2 & Thurs R4 league situation (hence our delay in posting the Week 1 of 10 draws).

**FINAL OUTCOME:** 1-4 above will proceed as planned for the 2023 Grass Season with the **following exception:**

- a. Tues R2 Tupper Main will be relocated to **Windemere** Secondary **NORTH** field for May – June 2023 returning to Tupper Main for July – August 2023
- b. Wed R2 Tupper Main & Oval will play at Sir Winston **Churchill** Secondary **Oval** on May 31, 2023 (only).
- c. ~~Wed R2 Tupper Main & Oval will play at **Windemere** Secondary **NORTH** field for June 2023 returning to Tupper Main & Oval for July – August 2023~~ **(PLEASE IGNORE 'THIS' ITEM. MENTIONED IN ERROR (edited May 12th))**
- d. Thurs R4 Tupper Main (only) will play on Tupper Main **Fri nights for May – June 2023** returning to Tupper Main Thurs nights for July – August 2023. **TFC Volleyball apologies for any inconvenience this may cause Registrants**, but this was the only plausible solution to salvage Thurs Tupper Main because ALL replacement fields were not large enough nor green enough nor flat enough for our needs
- e. Thurs R4 will return to Tupper Main for July – August 2023
- f. **Thurs R4 Tupper Oval** will remain May – August 2023 at the Oval on Thurs.

**SEE GRAPH BELOW FOR SUMMARY OF a – f.**
