

#### **How we Break Ties in Weekly Grass League Pool Play:**

Premise – You play 3 opponents each night (0-21, 0-21, 0-15, all cap).

TFC assigns 3 points to each match.

If you win 2 straight games you receive all 3 points.

If you win in 3 (win 2, lose 1) you receive 2 points & your opponent receives 1 point.

In the event of a 2 way tie occurring, whoever wins the head to head match takes the lead.

In a 3 way tie, you have to resort to point differential for all 3 of the teams.

**Please, ensure all your scores are recorded accurately before you leave the field.** The Draw Coordinator will not change the standings once the next week's draw is posted on the website.
